

WELLINGTON COMMONS ARC MEETING, 13 JAN 09
*******MINUTES*******

ATTENDEES:

- Ken Polk, Chairman
- Laura Marsh
- Florence Daniels
- Ben Lord

APPLICATION REVIEW:

- Project for 5891 Parenham Way: Application was reviewed and will be passed on Board
(ARC Recommends Approval)

ARC DISCUSSION- COMMENTS:

- There was much concern about changes made on the new Application Form. The Form does not require the Home Owner's Signature, and it does not have space for the Signature of the Approval-Disapproval Authority. Request the Board address this issue.

OLD BUSINESS:

- ARC would like to know the status of 5800 Apsley House. **Both Exterior and Interior Doors were replaced and not in compliance.**

- ARC requests a **One-on-One Meeting with the Board.** We would like discuss various issues, to include, the current lack of Administrative Procedures.

Meeting Adjourned

Next ARC Meeting is scheduled for 17 Feb 09
