**APPLICATION REVIEW:**

- No applications were received

**ARC ISSUES:**

- Need clarification as to what ARC's role is with the updating of the handbook. Also need projected timeframe for completion, and what assistance will be provided by the Board.
- Who is the current ARC Liaison? No one from the Board has been attending the ARC meetings. It is very crucial that we have somebody from the Board to support the ARC.
- Has "Spring Walk" been scheduled? If it has, who will do the walk?
- What is the status of fines?
- What has been done about trash pick-up? Trash is still being put out early.
- Board should take action about towing and stop playing games with violators.
- ARC is very concerned about information being provided to the Board. No feedback is being provided as to what is being done, and why nothing is being done.

**OTHER ARC ISSUES:**

None.
